.....

Miss Fazdlina Bt Jamaludin

Acknowledgement

Alhamdulillah, our highly grateful to Allah S.W.T. for giving us strength to complete this research. We also would like to express our compliments to Rasullullah S.A.W..

We have taken efforts in completing this research proposal. However, it would not have been possible without the kind support and help of many individuals. We would like to extend my sincere thanks to all of them.

We highly indebted to Miss Fazdlina Bt Jamaludin for the encouragements and constant supervision as well as for providing necessary information regarding the project.

We wish to avail ourselves of this opportunity, express a sense of gratitude and love to our parents for their encouragement, motivation, financial support, and for everything. The research is nothing without them who contribute for this research.

Last but not least, our thanks and appreciations also go to our friends and classmates as they give useful information and knowledge regarding our research on the factors of conflict that contribute at Perbendaharaan Negeri Selangor. Our thanks also go to people who rendered their help with their abilities whether directly or even indirectly during the period in completing this research.

Wassalam.

The Abstract
